NOTE: Camping is extremely limited and not recommended. If you bring a motorhome or camper, local regulations prohibit staying in it in Avon or Vail - you must have a room - this will be enforced by the Avon P.D. Trailer parking is tight but okay if you let us know you're bringing one - please make note on form above. Again, please leave your pets at home - the "no pets on property" rule will be enforced - no exceptions. In case you made it down to here and are wondering, STAR '06 is the national rally of the Honda Sport Touring Association - four days of motorcycling paradise.
